#### **M. Contract Execution**

Awards are not final and the resultant contract is not considered executed and binding until approved by the New York State's Attorney General and Office of State Comptroller (OSC).

#### **N. Vendor Responsibility Questionnaire**

State agencies are required under State Finance Law § 163 (3) (a) (ii), to ensure that contracts are awarded to responsible vendors. Such requirements include, but are not limited to, the Bidder's qualifications, financial stability, and integrity. The Vendor Responsibility Questionnaire is required for contracts \$100,000 and over. OPWDD will require a complete Vendor Responsibility Questionnaire with your bid proposal if the contract resulting from this procurement is valued at \$100,000 and over. Vendors/not-for-profit provider agencies are able to file the Vendor Responsibility Questionnaire (VRQ) online via the New York State VendRep System or may choose to complete and submit a paper questionnaire. To enroll in and use the New York State VendRep System, see the [www.osc.state.ny.us/vendrep](http://www.osc.state.ny.us/vendrep).

#### **O. Health Information Portability and Accountability Act (HIPAA)**

The Federal Department of Health and Human Services (HHS) established HIPAA Standards for Privacy of Individually Identifiable Health Information (The Privacy Rule). The Privacy Rule (45 CFR Part 160 and Subparts A and E of Part 164) provides the first comprehensive federal protection for the privacy of health information. The Privacy Rule is carefully balanced to provide strong privacy protections that do not interfere with patient access to, or the quality of, health care delivery. HIPAA has an impact upon how OPWDD and contractors will deal with protected health information of our consumers. Likewise, State Mental Hygiene Law § 33.13 requires disclosure of clinical records to be limited to that information necessary for health care providers to administer treatment.

#### **P. General Duties and Additional Responsibilities**

Maintain a level of cooperation with OPWDD necessary for the proper performance of all contractual responsibilities. Agree that no aspect of bidder performance under the Agreement will be contingent upon State personnel, or the availability of State resources, with the exception of all proposed actions of the bidder specifically identified in the Agreement as requiring OPWDD's approval, policy decisions, policy approvals, exceptions stated in the Agreement or the normal cooperation which can be expected in such a contractual relationship or the equipment agreed to by OPWDD as available for the project completion. Cooperate fully with any other contractor that may be engaged by OPWDD. Agree to meet periodically with OPWDD representatives to resolve issues and problems. Recognize and agree that any and all work performed outside the scope of the Agreement or without consent of OPWDD shall be deemed by OPWDD to be gratuitous and not subject to charge by the bidder.

**Q. NYS Information Security Breach and Notification Act (NYS Technology Law, § 208)**

“Contractor shall comply with the provisions of New York State Information Security Breach and Notification Act (General Business Law § 889-aa; State Technology Law § 208). Contractor’s negligent or willful acts or omissions, or the negligent or willful acts or omissions of Contractor’s agents, officers, employees, or subcontractors.”

Reporting will be required via the utilization of two separate forms – "Form A" and "Form B".

In general, however, Form A is to be completed once upon initial contract award and is used to report "planned employment". Form B is required annually and reports on "actual employment figures" for the preceding state fiscal year. The New York State fiscal year commences on April 1st and concludes on March 31st.

### **17. Evaluation Criteria: Method of Award**

**There are four (4) clusters; each cluster will be evaluated separately. OPWDD will select the responsible and responsive bidder(s) that will provide the lowest Annual Estimated Cost per Cluster.**

**Vendors may bid on one or multiple clusters and multiple contracts may be awarded. All sites included in a cluster are to be serviced by the bidder who is awarded the contract for that cluster. Only proposals judged to be responsive to the submission requirements set forth in this IFB will be evaluated. Any alteration of the cost proposal form may result in disqualification of the bid. OPWDD reserves the right to reject any and all offers.**

**The Cost Proposal Form provides an Estimated Number of Annual Events. This is an estimate only. Payment will be made on actual services rendered.**

**Annual Estimated Cost per Cluster will be calculated as follows:**

**A: Per event Mow/Trim cost per location**

**B: Per event Mow/Trim Cost (A) multiplied by 25 (number of estimated events)**

**C: Spring Cleanup Cost per location**

**D: Fall Cleanup Cost per location**

**E: Sum of B + C + D per location**

**F: Annual Estimated Cost for Cluster equals the sum of all Total Costs per Location in that cluster.**

**In the event of mathematical errors, calculations will be done using A: Per event Mow/trim cost, C: Spring Cleanup costs, and D: Fall Cleanup costs per location.**

**In the event of a tie bid, the award will be made by random selection.**
