## Cost Proposal Form

Please use the Cost Proposal Form provided below to submit your bid for any county(s) you wish to bid on. Failure to use the cost proposal form provided or any alteration to the form provided could result in disqualification of the bid. To complete the form, please **enter your Price per Gallon Pumped in column A. Multiply the Price per Gallon Pumped in column A by the Maximum Total Gallons provided in column B, to arrive at the Estimated Total Annual Cost in column C ( $A \times B = C$ ).** Do this for each county you wish to bid on. Any mathematical errors will be corrected based on the amount(s) entered for Price per Gallon Pumped. Bidders must be able to service ALL sites in any county(s) they wish to bid on. Please make all entries neat and legible. Please be sure to complete the Bidder Signature section of this page.
